

Results

- Increased awareness of the ELL and the procedure of applying
- Increased awareness of the Nellip project and portal
- Increased cooperation between language teachers in this part of Sweden, exchanges of ideas and mutual project planning.
- Great to have representation from the national agency – possibility of more in depth knowledge in the process as well as gaining importance of our workshop.
- New projects started as a result of the Nellip workshop
- Improvement plans

From this workshop no feedback was given at our portal. All participants worked with the portal as shown in the worksheets above.
