

## IMPROVEMENT PLAN / FEEDBACK

The Improvement Plan or Feedback should be constructed as follows:

**1) Authors of the Plan / Feedback on new project**

- Brief presentation of the authors (i.e. participants in the work group)

Monica Westerlund, Kristina Weberg and Camilla Hasselgren

**2) Description of the Initiative**

- Brief presentation of the language learning initiative identified (if possible, please provide a link to the initiative)
- Reason why this initiative was selected (if you choose from the Nellip Portal)
- In case it is a new project the description should focus on its objectives, target groups, expected results

Skype meeting point between students from different schools from different countries. To talk is more important than writing and grammar at this age. To inspire/motivate students to use the language they are studying.

**3) Improvement Plan / Feedback on new project**

- Identification of strengths and weaknesses
- Strategy for improvement of its quality / innovative approach / networking potential
- Expected impact

Safety, having students's parents support is an important stone.

The Improvement Plan / Feedback should be sent to either:
