

Workshop

Developing and Managing Successful Language Projects

organizat în cadrul proiectului NELLIP - Rețea de inițiative distinse cu certificatul European Language Label (519129-LLP-1-2011-1-IT-KA2-KA2N)

IMPROVEMENT PLAN

Team:

Darie Pamela (prof.), Grecu Ioana (assistant professor), Antonita Carmen (prof.), Simionescu Carmina (prof.), Barbieru Roxana (prof.), Cotofan Manuela (dir.), Zota Andreea (prof.), Moruzi Lucretia (prof.), Manolache Mihaela (prof.)

Project aim:

Raising awareness of the impact that a historical conflict has today on the present communities

Project objectives:

- The importance of cultural diversity, accepting the others
- The awareness of the historical events
- Encouraging other people to take interest in this problem
- The development of civic competences

Target Group:

- Community School
- Minority Communities
- Teachers
- Parents
- Extended community

Main activities:

- Achieving an investigation into the history and historical conflicts with great impact on student development
- Awareness of the school community on the importance of capitalizing on current life history, for understanding the cultural values
- Elaboration of virtual map and resource portal with information about the minority communities in the Iasi county
- Collaboration with communities representatives in Iasi (Armenians, Greeks, Russians Lippovan, Poles, Italians, Roma, etc..) to share and promote their cultural values
- Entering into curricula in master classes, or as extracurricular activities on studying minority communities and cultural diversity
- Organizing a fair promoting the values and cultural diversity

Results:

- Module "Communities and cultural values"

- Portal with information and interactive applications on the understanding and promotion of cultural diversity
- Network of members of minority communities
- Fair to promote the values and cultural diversity

Mention stages/ tools/methods used for the development of your initiatives regarding:

Innovation:

- Introduction of the module "Communities and cultural values" into the official curricula
- Involving students in direct activities (interaction with the representatives of minority communities) to facilitate the understanding of cultural diversity

Dissemination/Exploitation:

- Introduction of the Course in the official curricula
- Extension of the Course as a national program
- The Fair can have a major impact on the local community on the existence of minority communities in Iasi area, and the need to understand and accept the values and cultural diversity

Quality:

- Involving representatives of minority communities in the promotion of cultural values
- Creation of interactive tools for understanding and promoting cultural diversity
- Existence of activities both in closed circuit (in schools), and at large scale (in the wider community by organizing the fair)
