

IMPROVEMENT PLAN FOR A LANGUAGE INITIATIVE

NATIONAL WORKSHOP

organized in the framework of the project

“NELLIP – Network of European Language Labeled Initiatives and Projects”

11 MARCH 2014

SOFIA, BULGARIA

1) Authors of the Plan

Representatives of organisations active in the field of school education, university education and vocational education and training. 7 people took part in the work group which had the task to develop a strategy for adapting an existing project for applying for ELL.

2) Description of the Initiative

Name of the initiative: Creative teachers training (www.train2teach.eu), Lifelong Learning Programme, Selection 2011, 12-month project, completed.

Goal of the initiative: Training of primary school teachers for work with Roma children.

Methodology: Development of a multilingual multimedia product (BG, HU, ES, RO) in 4 modules for interactive learning (for school students) and a methodology for content teaching (for teachers).

Modules:

- Project lessons
- Motions
- Board games
- Art

3) Presentation of the Coordinator of the Initiative

NIOKSO (National institute for training and carrier development in education), www.niod.bg

4) Improvement Plan

The project has not applied for European Language Label but it has potential because besides different European languages it promotes also minority languages.

5) Strategy to submit the project to the ELL

Keep track on the website of the Bulgarian National Agency (www.hrdc.bg) and submit an application form focusing on:

- very clear and concise description of the project with explicit focus on the strengths
- emphasise on the potential for developing future initiatives which to ensure sustainability of the results
- clear definition of the target groups and direct the project at covering specific needs of those groups
- innovation and achieved impact
- take into strong consideration the award criteria for the ELL award and explain explicitly how it addresses them
- structured description on the project with focus on the applicability of the products and their impact on the separate target groups
