**11 MARCH 2014**

SOFIA, BULGARIA

#### 1) Authors of the Plan

Representatives of organisations active in the field of adult education and university education. 7 people took part in the work group which had the task to improve an existing language initiative.

#### 2) Description of the Initiative

**Name of the initiative:** N/A

**Goal of the initiative:**

- Teacher training
- Teaching digital writers

**Target groups:** Teachers who to be trained to create digital learning content and platforms for work with the students

#### 3) Presentation of the Coordinator of the Initiative

N/A

#### 4) Improvement Plan

Using the developed approach and integrating it with solutions for the development of a virtual classroom.

\* The discussions on the improvement of the initiative stopped because a few of the participants in the work group found common grounds for cooperation and development of an actual project proposal focused on digital language learning. Talks continued informally and details are still to be agreed between the parties of interest and developed further.

No additional information can be included in the present report in view of data protection issues.
