

IMPROVEMENT PLAN / FEEDBACK

The Improvement Plan or Feedback should be constructed as follows:

1) Authors of the Plan / Feedback on new project

- Brief presentation of the authors (i.e. participants in the work group)

Maria Holmstrom, Sara Gullender och Sara Eltorm

2) Description of the Initiative

- Brief presentation of the language learning initiative identified (if possible, please provide a link to the initiative)
- Reason why this initiative was selected (if you choose from the Nellip Portal)
- In case it is a new project the description should focus on its objectives, target groups, expected results

It's Fun To Speak.

3) Improvement Plan / Feedback on new project

- Identification of strengths and weaknesses
- Strategy for improvement of its quality / innovative approach / networking potential
- Expected impact

It's intercultural, structured, clear and the goals are reachable. The negativ point is that it is too big and complex.

The Improvement Plan / Feedback should be sent to either:
