

## **NELLIP WORKSHOP, LONDON 21st March 2014 at the UK Secretariat of the EU Commission Europe House, 32 Smith Square, London**

### **Moderators and Experts involved**

Moderator: the workshop leader was Richard Rossner. The British Academy had requested inclusion of information about their own national scheme '[British Academy Schools Language Awards](#)' for outstanding language projects (not including those focusing on English), and one of the participants, Anne Breivik, did a short presentation on this. Considering the absence of the ELL scheme in the UK, this is a welcome new initiative, although it is really only applicable for higher secondary as the objective is to encourage more students to take up languages in higher education.
